

Harrisonville Area Enhanced Enterprise Zone

“Our goal is to help our existing businesses grow and attract new businesses to the Harrisonville area. Thereby, we create jobs, wealth, and improve the quality of life of our citizens. The Enhanced Enterprise Zone is a tool that we use to help us achieve our goal.”

Kevin Wood
Mayor of Harrisonville

The Harrisonville Area Enhanced Enterprise Zone was officially designated by the Missouri Department of Economic Development on February 3, 2011. The Zone encompasses a large amount of available commercial and industrial property. Properties in the Zone are adjacent to US 71 (future I-49), an active rail line, and are located close to Laurence Smith Memorial Airport.
