The Mayor will open the public hearing for presentations by staff, the owner or authorized agent, and the public. After everyone has had the opportunity to speak, the BOA will deliberate on the request and decide whether to approve or deny the request.

If no opposition is made to the vacation, the BOA may vacate the street or alley with such restrictions and reservations as they may deem for the public good. But, if opposition shall be made by any person owning property abutting such street, alley, or public square, such application shall continue on file for a further period of 30 days for a hearing thereon, when, if either the objector shall consent to such vacation or if upon such hearing the BOA deems it advisable to overrule such objection, the BOA may grant the application.

STEP 5. VACATION ORDINANCE RECORDED WITH CASS COUNTY

The City will record the vacation ordinance with Cass County who will reflect the vacation on the countywide map. The part so vacated, if the same is a street or alley, shall revert to the owners of the adjacent lots in proportion as it was taken from them if there is evidence of such. If not, it shall be attached to the ground bordering on such street or alley and all title thereof shall vest in the person owning the property on each side thereof in equal proportions according to the length or breadth of such ground as the same may border on such street or alley. Whenever a public square shall be vacated, the property shall be disposed of in such manner as the BOA may direct.
