Things to Remember –

- As you shovel the snow from your driveway, be a good neighbor and take a few extra minutes to clear your sidewalk. Our pedestrians appreciate a clear, safe surface to walk on during the winter months.
- We continue to ask people to please remember not to park on the city's Emergency Snow Routes. These streets are marked with blue "Emergency Snow Route" signs and are the first to be cleared of ice and snow. For more information on the snow routes, consult the city website.
- Residents can purchase boat permits and fishing licenses for Lake Harrisonville, starting Feb. 16. Call City Hall for complete information.
- Look for your 2010 census form to arrive in the mail next month. Please plan to complete and return the form promptly. A census worker will not come to your house if the form has been returned.
